

REMUNERATION REPORT

on the implementation of the remuneration policy for the leaders of

ALUMIL ROM INDUSTRY SA for 2023

**drawn up according to the provisions of art 107 para (1) from the Law no
24/2017**

The remuneration policy aims to ensure a transparent framework regarding the activity of ALUMIL ROM INDUSTRY, fair reward and motivation of the managers in order to establish a fair remuneration of the administrators and the executive management. This policy also ensures the framework for attracting competent and experienced people in the management of ALUMIL ROM INDUSTRY, as well as the balance between performance, resources and objectives of the company.

The company complies with the remuneration principles established in the Remuneration Policy approved by the OGMS of 16.08.2021, but also the applicable legal regulations insofar as they are appropriate to its size, internal organization, the nature and complexity of its activities.

The remuneration policy has been applied to all Directors and Executive Directors (respectively the General Manager) of the Company, regardless of the date of appointment or termination of the mandate.

This Report has been prepared based on the Remuneration Policy adopted by the company's shareholders, correlated with the provisions of the Management Contracts concluded between the Company and the members of the Board of Directors, taking into account the following applicable legal provisions:

- Law no. 24/2017 on issuers of financial instruments and market operations, with subsequent amendments and completions
- ASF Regulation no. 5/2018 on issuers of financial instruments and market operations
- Law 31/1990 on companies, republished, with subsequent amendments and completions
- BVB Corporate Governance Code

In the process of implementing the objectives of the remuneration policy, the alignment with the industry dynamics, both at national and international level, was ensured and the ensuring of the achievement of the strategic objectives of management and development of the Company was ensured.

Considering the fact that the shareholders approved during the AGOA of 27.04.2022 without reservations or comments, the remunerations granted to the members of the Board of Directors and the executive directors of the company, the aim was to ensure a compatibility of these remunerations with the provisions of the company's internal salary policy and the

company's activity, but also the faithfulness and loyalty of the management by ensuring an adequate total remuneration, related to the tasks and responsibilities assigned by the management contract entered into between the Company and the Directors and the General Manager in the context of achieving the operational objectives determined by the Revenue and Expenditure Budget for the previous year.

Regarding the basic remuneration established for the members of the Board, it is based on the role, individual experience, skills and sustained level of performance of each Board member /general manager, reflecting the market practice for similar positions and adjusting to the needs and priorities of the business.

The company is managed in a unitary system by a Board of Directors consisting of 5 directors (one chairman and 4 members), appointed by the OGMS for a term of 4 (four) years from the date of appointment, who are eligible for re-election.

The Board members remuneration is established by vote within the OGMS, together with the approval of the proposals for the appointment of the members of the Board of Directors and the approval of the management contract. Under the provisions of art 142 of the Company law, the remuneration for the executive general manager is established by the Board of Directors .

According to the Constitutive Act of the Company, the Company is managed by the Chairman of the Board of Directors as legal representative and by the General Executive Director, and their rights and obligations are established by management contract and in accordance with these remuneration principles.
